Eye-Kraft offers two programs designed to offer value and quality for managed care patients as well as private pay patients looking for quality frames and lenses at great prices. All frames are stocked in the lab and jobs are submitted as "supply frame" to expedite your orders. Frames for display can be purchased through customer service or on our online ordering portal with the "Stock Frames" form.

Eye-Kraft Savings Package - Designed for your private pay patients, this package has a wide range of products and uses Eye-Kraft's managed care frame catalog. Orders are submitted by fax, phone, or VisionWeb and "Savings Package" should be noted in special instructions. Customers can also use Eye-Kraft's on-line ordering portal and use the Savings Package form.

Managed Healthcare Program (MHCP) - This program is designed for state managed care patients. Orders are submitted via fax, or our secure online portal. Eye-Kraft services two types of managed care:

1) Contract Services - Eye-Kraft manages eligibility monitoring and materials submissions for the following three programs in Minnesota. Providers are not billed by the lab for these jobs:

- UCARE
- MEDICA
- South Country Health Alliance

2) Third Party Services - Eye-Kraft offers discounted rates on direct billed programs. "MHCP Package" should be noted in special instructions. Providers are responsible for submitting all materials, dispensing, and qualified remake claims directly to these plans and will receive a billed invoice from Eye-Kraft for each job for the following:

- Blue Plus (Blue Cross/Blue Shield)
- Health Partners
- Itasca Medical Care
- Metropolitan Health Plan
- Other state managed care plans outside of Minnesota

PHASE OUT STYLES

Several frames from previous program years have done well, but are in the pipeline for eventual discontinuation. Instead of deleting the following frames we will now move them to our **Phase Out** list. Phase Out Frames are still available, however they may not have full color availability, or an eyesize may be depleted.

We will also discount Phase Out Frames when sold as display models, as frame only orders, or when packaged in one of our value packages. Phase out Frames will be sold at **$10.95** for all packages and for frame only orders.

This list will change as the year progresses, and some frames may move to the discontinued list, so we recommend calling customer service for availability prior to placing your order. A full color photo phase out catalog will be posted on our website at www.eyekraft.com.
