Eye-Kraft offers value packages designed to offer value and quality for managed care patients as well as private pay patients looking for quality frames and lenses at great prices. All frames are stocked in the lab and jobs are submitted as "supply frame" to expedite your orders. Frames for display can be purchased through customer service or on our online ordering portal with the "Stock Frames" form.

With our **DELUXE** frame selection on the following pages, customers now have options for children and adults with needs beyond our standard frame selection. The additional kids frames are durable, sized for small faces and come in many fun colors. These kids frames are eligible for our Savings Package *Kids* program. The adult selections are eligible for our standard Savings Packages and are sized for larger faces.

Deluxe frames can also be used for Minnesota Healthcare Programs serviced by Eye-Kraft for children and for adults under specific conditions. Please check with the lab.

There are three tiers of Deluxe frames:

**Deluxe Tier 1** includes our Dr. Seuss Collection and Critter Frames.

**Deluxe Tier 2** includes our Kid's Bright Eyes Collection.

**Deluxe Tier** includes the Wide Guyz and Chic Frames for adults with larger frame requirements and our sunglasses collections.
